by registration
before
29th Feb, 2020.

March 14, 2020
10AM to 4:30 PM
AT HBCSE-TIFR,
Mumbai

About the IDM:

The International Day of Mathematics (IDM), a project led by the International Mathematical Union, is a worldwide celebration. Each year on March 14 all countries will be invited to participate through activities for both students and the general public in schools, museums, libraries and other spaces.

About HBCSE, TIFR:

Homi Bhabha Centre for Science Education (HBCSE) is a National Centre of the Tata Institute of Fundamental Research (TIFR), Mumbai. The broad goals of the Centre are to promote equity & excellence in science & mathematics education from primary school to undergraduate college level, and encourage the growth of scientific literacy in the country.

About MTA:

MTA was founded in March 2018 with the objective of bringing together teachers, educators and mathematicians in a joint endeavor, with the aim to serve as an instrument to improve the standards of mathematics at various levels, generate interest in mathematics among students through various activities, and nurture mathematical talent.

Schedule:

Time	Activity	Time	Activity	Time	Activity
